

The Institutes'

Business Strategy for Emerging Leaders

CENTER FOR
PROFESSIONAL
& EXECUTIVE
DEVELOPMENT

Here's what survey respondents had to say about the 2022 program:

100% found value in the **program content**.

100% would **recommend this program** to a colleague.

100% felt the **instructors demonstrated expertise** in the subject matter.

Business Strategy for Emerging Risk and Insurance Leaders

In today's competitive and continuously changing business environment, directors and managers need a solid understanding of core business functions combined with real-world knowledge in order to effectively implement strategies throughout their organization. Brought to you in partnership with the Wisconsin School of Business Center for Professional & Executive Development, The Institutes' Business Strategy for Emerging Leaders provides valuable organizational leadership training tailored to the risk management and property-casualty insurance industry.

By participating in the Business Strategy for Emerging Leaders program, you will learn how to transition from functional management to leadership through a greater understanding of the insurance industry, business and people.

Sponsoring Partners

The Institutes

With more than 100 years of experience, The Institutes are the leading provider of risk management and property-casualty insurance education.

Institutes' knowledge solutions include the premier (CPCU®) professional designation; associate designations in areas such as claims, risk management, underwriting and reinsurance; introductory and foundation programs; online courses; custom solutions; continuing education (CE) courses; and live events.

Wisconsin School of Business Center for Professional & Executive Development

For decades, the risk management and insurance program at the Wisconsin School of Business has been recognized as one of the top programs in the United States, featuring an outstanding faculty, a strong reputation and a successful alumni base that is active in the global insurance industry.

Known for excellence in program design, program follow-up and the flexibility to create the best learning solutions for its clients, the Wisconsin School of Business Center for Professional & Executive Development is committed to guiding and inspiring business leaders worldwide.

What to Expect

- A variety of interactive learning practices and discussions, real-world examples from the risk industry, and small learning team simulations
- A personal assessment tool that will help you improve as a leader and a team member through greater self-awareness and knowledge. The assessment includes a 1 on 1 review with a faculty member to help better understand your results and how to use them to improve.
- Networking opportunities with like-minded peers to grow and expand your business acumen

Who Should Attend

The Business Strategy for Emerging Leaders program is designed for experienced, high-potential directors or managers who are:

- Looking to advance their leadership role within their organization
- In a position to implement organizational strategy

How You Will Benefit

Packed with relevant, interactive sessions, this program will enable you to:

- Learn how to align and implement successful strategies within your organization
- Master the operational aspects of executing strategy, such as measuring progress and success
- Develop the organizational leadership skills needed to make a positive impact now and throughout your career
- Enhance your decision-making skills with a deeper understanding of organizational dynamics
- Build your financial acumen with practical exercises
- Place the current and future state of the industry within the context of your own experiences

How to Register

Go to TheInstitutes.org/EmergingLeaders to register online, or call Customer Success at (800) 644-2101.

	DINNER	TEAM SIMULATION*	TEAM SIMULATION*	
		DINNER	OFF-SITE DINNER	

*Team Simulation—Small groups that are formed into teams. Each team is responsible for product management within its own fictitious insurance company. Team members decide how to price their product, what underwriting standards to apply, how much of the premium to dedicate to the distribution channel, and how to structure the company’s reinsurance program

[†]As part of this class, participants will receive a copy of Artell Smith’s soon-to-be-published book: *Engage.Coach.Develop—Building Strong Relationships that Drive Individual and Team Performance*.

Meet the Wisconsin Team

The proposed faculty for the Business Strategy for Emerging Leaders program was selected to provide a solid framework for future success in strategically managing, developing and leading an organization. The faculty for any given session may vary, however, based on program needs and faculty availability.

Eric Hansing

*Vice President, Multicultural and Corporate Strategy
CUNA Mutual Group*

Eric leads corporate strategy development and is responsible for the annual business planning processes that ensure strategic initiatives align with long-term strategic and financial performance goals. He holds a bachelor's degree in marketing from the University of Wisconsin-Whitewater and an executive master's degree in business from the University of Wisconsin-Madison, and he is a certified Credit Union Development Educator.

P. Artell Smith

*Vice President-Human Resources, Talent, HR Shared Services and Technology
Quad/Graphics, Inc.*

Artell has extensive experience in human resources management, advising and focusing on overall people strategy, talent management/development, and compensation/benefits. He has led transformative projects across all aspects of human resources (HR) work globally, including talent development, generalist services, operations, technology, and global sourcing. Artell earned a Master of Public Administration degree from Brigham Young University (BYU) Graduate School of Management and a Bachelor of Arts degree in history and political science, also from BYU.

Jim Swanke Jr.

*Director, Risk Consulting
Willis Towers Watson*

Jim concentrates on financial and strategic planning issues, including risk financing design and evaluation, captive insurance company design, enterprise risk management, vendor selection/review, risk management organizational design, facultative reinsurance placements, and regulatory compliance. He holds a BBA degree in risk management and insurance, personnel management, and marketing and an MBA degree in finance and risk management from the University of Wisconsin-Madison.

Steve King

*Retired Executive Vice President, HR
Aon Hewitt*

Steve is the retired executive director of the Center for Professional and Executive Development at the Wisconsin School of Business. Steve has 35 years' experience in teaching leaders how to optimize their own and their organizations performance. He holds an MA degree from the University of Wisconsin and a BA degree from the University of Iowa, both in economics.

Tyler Leverty, PhD

*Associate Professor
Gerald D. Stephens CPCU Distinguished Chair in Risk Management and Insurance
Wisconsin School of Business*

Ty is the Gerald D. Stephens CPCU Distinguished Chair in Risk Management and Insurance and an associate professor in the Department of Risk and Insurance at the Wisconsin School of Business. Before joining the faculty at UW-Madison, Leverty was an associate professor of finance and the TRISTAR Risk Management Research Fellow at the University of Iowa's Tippie College of Business. His research interests are in the economics of insurance markets, insurance company operations, and public policy issues in insurance.

Joan Schmit, PhD, MBA, CPCU

*Professor
American Family Insurance Distinguished Chair in Risk Management and Insurance
Wisconsin School of Business, University of Wisconsin-Madison*

Joan is the American Family Insurance Distinguished Chair in Risk Management and Insurance in the Wisconsin School of Business at the University of Wisconsin-Madison. She also serves as an affiliate faculty member in the Nelson Institute for Environmental Studies at the University of Wisconsin, as chair of the Risk and Insurance Department in the Wisconsin School of Business, and in the insurance program at the University of St. Gallen in Switzerland. Her areas of expertise include insurance regulation, enterprise risk management, reputation risk and microinsurance.
